

## Project Manager

**Location:** Dongguan

**Sector:** Manufacturing / Cosmetics Display Equipment

**Starting date:** ASAP

**Job Reference:** CDS2026021

### ABOUT THE COMPANY

Our client is a French-funded enterprise expert in cosmetics POS display and retail fixtures, with all products exported to Europe and America. It runs a complete in-house production system with supporting workshops, and maintains a sound quality management system to ensure high-standard delivery for global customers.

### RESPONSIBILITIES

- End-to-end project lifecycle management, overseeing scope, schedule, cost, quality and risk to ensure on-time, on-budget and compliant delivery.
- Develop project plans and WBS, coordinate cross-functional resources across Design, Production, Procurement, QC and Logistics for seamless execution.
- Serve as the primary liaison for clients, suppliers and internal teams; manage stakeholder expectations, handle change requests and drive customer satisfaction.
- Establish and monitor project budgets, optimize resource allocation and control material & labor costs to avoid overruns and maximize profitability.
- Oversee on-site production processes and quality standards, ensuring products meet design specifications and international export requirements.
- Maintain rigorous project documentation for full traceability and audit readiness.
- Proactively identify potential risks, develop mitigation strategies and resolve technical & managerial issues throughout the project.

### REQUIREMENTS

- More than 5 years experience, bachelor's degree;
- Open attitude towards new challenges;
- Team oriented, independent, active and reliable working methods;
- Technical background and display(furniture) industry is highly recommended;
- Bachelor's degree or above; English or French communication at a high level
- Good knowhow of Microsoft office and an organized way to maintain share point folders;
- Project Management experience. PMP certificate will be a plus
