

Quality Manager 质检经理

Location: Zhongshan
Sector: Manufacturing
Starting date: ASAP
Job Reference: CDS2025003

ABOUT THE COMPANY

Our client is a prominent European extrusion firm and a global leader in the production of Flexible Vinyl (PVC). Boasting an extensive history and a global sales network, the company is renowned for delivering top-notch solutions and exceptional service to its clientele, earning high praise for its commitment to quality and reliability. The company's flexible PVC products are non-phthalate, eco-friendly, energy-efficient, and fire-retardant, and they meet international food contact standards. These products find extensive application across various industries, including industrial doors and partitions for cold chains, the food industry, hospitals, pharmaceuticals, public areas, welding factories, and more. Our client has forged partnerships with numerous esteemed companies and has garnered their widespread recognition.

RESPONSIBILITIES

- Assist in establishing and improving the company's quality system, and organize and implement quality management work.
- Organize personnel to inspect raw materials and finished products.
- Properly handle quality issues discovered during the production process.
- Organize relevant personnel to analyze product quality issues and customer feedback and propose improvement measures.
- Responsible for the continuous improvement and enhancement of product quality.
- Organize investigations into quality accidents and write investigation reports.
- Responsible for organizing training on quality management systems and quality control.
- Assist the R&D department in analyzing and storing competitor products.

REQUIREMENTS

- College degree or above.
- Proficiency in English listening, speaking, and writing.
- Minimum 2 years of work experience in the same position.
