

PRODUCT SPECIALIST

Location: Guangzhou

Sector: Packing & Packaging

Starting date: ASAP

Report to: Marketing manager

ABOUT THE COMPANY

Our client is a global leader in glass primary packaging producing over 8 million vials per day at manufacturing plants in Europe and Asia. Its Asia Pacific branch operates a plant in Zhanjiang and two sales offices in Guangzhou and Shanghai. They deliver products and services to clients in China and the Asia Pacific region. The offer includes a broad range of vials and bottles in both tubular and molded in Type I, II or III, amber or clear glass, as well as innovative added-value services for Pharma and Beauty markets.

RESPONSIBILITIES

Product Specialist will be mainly responsible to manage total solution project of cosmetic stock mold ranges and develop various accessories to enlarge product portfolio as well as communication plan in coordination with Marketing team.

- Manage current product portfolio (both glass and accessory).
- Define the product portfolio evolution, identify market needs and develop new accessories/suppliers in close collaboration with various internal teams like Sales and NPD.
- Take lead of accessory validation process in collaboration with NPD.
- Support Sales for total solution inquiries/projects, provide knowledge and tools to the Sales team, and regularly review with team to achieve business growth.

APPLICATION
