“FB solution has been with the CCI FRANCE CHINE as office tenant for about 2 years now. In that time, we have built trust and friendship because the CCI team is very nice ; we get along very well. They provide a very attentive services and the office environment is very comfortable and convenient. We recommend !”

Lan

“As CCI member and office tenant since 2015, we have been in close strategic partnership with the chamber. We share same vision and have common friends and surroundings. Since the opening of our GZ branch office, French chamber has always played an important role in our recruitment, prospection, diplomatic and commercial event, as well as exhibition business. They make great effort in widening members' vision in South China and cross-industries development. And thus, stronger team is being built and greater future is beyond.”

Justine

“As a member of CCIFC, Orcom C&A has been maintaining a successful relationship with the Chamber. In order to foster greater cooperation between us, recently we have become the tenant of the Chamber. We believe that with the diversified business resources the Chamber offers, our business will be familiar to not only the other members but other non-member enterprises, and with the great effort in widening members' vision the Chamber makes, our team will become stronger.”
