

Process engineer

Location: Zhuhai

Sector: Manufacturing

Starting date: ASAP

Job Reference : CDS-2023-020

ABOUT THE COMPANY

Our client is a full service, plastic injection factory committed to leading environmentally friendly manufacturing practices. It has developed unique expertise in manufacturing with bio-based plastics, bio-degradable plastics and recyclable plastics from the sea and from the land.

RESPONSIBILITIES

- Create Work Instructions and Standard Operating Procedures for all processes (plastic injection, assembly, laser engraving, lens cutting...).
- Improve production follow up tools, to understand current capacity and anticipate investments needed depending on the customer demand.
- Improve existing processes to reduce costs and improve production rates by analyzing the processes and leading continuous improvement workshops and actions (Lean, Kaizen...).
- Perform risk assessments (quality, safety) and propose ideas to mitigate risks.
- Ensure processes and behaviors comply with Health, Safety and Environment standards.
- Create Inspection Instructions and record sheets for all quality operations.
- Ensure processes comply with quality standards. Prepare 8D analysis in case of quality claim.
- Implement preventive maintenance plans for all the equipment.
- Support production department to improve the production planning.
- Be part of the team preparing audit and various certifications (ISO9001, ISO14001, ISO45001, ISCC...).

REQUIREMENTS

- Bachelor's degree in mechanical / automation / industrial engineering.
- >2 years proven work experience as a process engineer.
- Skilled in using Word, Excel, PPT, Outlook. Able to use Pivot Tables and Formulas in Excel.
- Knowledge of some of the following industrial processes: assembly, machining, plastic injection, automation...
- Familiar with industrial Health, Safety and Environmental requirements and quality standard and tools.
- Familiar with Lean, 5S, Kaizen and other continuous improvement tools.
- Analytical thinker, well organized and structured. Good spoken and written English Level.
